Popcorn Volunteers: Popcorn volunteers are needed to have a successful popcorn day. Popcorn days will be canceled if there are not enough poppers on the scheduled day.

PBIS: September was a great month for our PBIS program. Students were welcomed back with a PBIS Assembly featuring Spiderman and Wonder Woman. We also spent time teaching and modeling the expectations for our students in all areas of the building. The hard work of the staff and students has paid off and students are doing a great job of meeting our expectations. When students have been caught meeting those expectations they have been rewarded with Super You Bucks. This week, shopping has begun at our new and improved Super You Store.
