Martin Luther King Jr. Day: What are you doing for others? In celebration of MLK Day, we had an assembly with a guest speaker, Pastor Tray Smith. The focus of our school-wide assembly was following Dr. King's legacy of helping others. Our students were active listeners and excited participants for our special assembly!

Foster Grandparent Day: Governor Rick Snyder has proclaimed January 16th to be our state's "Foster Grandparent Volunteer Day." Our Kimball family is extremely lucky to have four foster grandparents who volunteer their time to make sure our Cubs have the extra support they need to be successful. Thank you to Grandma Rose in Mrs. VanSickle's kindergarten class, Grandma Jan in Mrs. Biscorner's first grade class, Grandma Ruth in Mrs. Orr's fourth grade class, and Grandma Jean in Mrs. Eagle's fifth grade class! We appreciate you all so much!

N

WEA Testing: Winter NWEA testing will begin on January 15. Students will be taking the Math and Language assessments to determine academic growth and/or deficits. It is important that students get enough sleep and proper nutrition in order to show what they know and rock that NWEA!

Winter Wear: Please be sure that your Kimball Cub has the proper winter gear for outdoor recess. Snow pants and boots are required for students to be able to play in the snow. Hat, scarves, and mittens are necessary for our cold winter days! If your child is in need of any winter gear, please contact the office and we will check our surplus supply! Also, please know that students are not allowed in the building until the bell rings at 8:15. Be sure to keep them in your warm vehicles until then. Thank you!
