August 19, 2020

Dear Indian Woods Families,

Welcome back Scouts! I hope everyone has had a restful, fun and healthy summer filled with sunshine, family, friends and good books.

While you have been home, know that the whole Port Huron Schools team has been working incredibly hard behind the scenes to plan for a safe and engaging return for all students. As always, thank you for your continued support and patience as information changes. Please read the following information carefully as this is unlike anything else we have done before to kick off a school year.

We will have a **Kindergarten Welcome on August 26th from 3:00-5:30 pm** in the gymnasium for students enrolled Indian Woods hybrid program. Come meet your classroom teacher and pick up the materials and technology that you will need for the start of school. Please enter at the back gymnasium door and you will be directed as to where to go from there.

Also on **Wednesday, August 26th from 5:30 - 7:00 pm is the 3rd grade Hybrid** Materials Distribution evening (formerly called "Open House"). 3rd grade students will get to meet their teacher and pick up their materials. Please enter through the back gymnasium door.

Grades 1, 2, 4 and 5 will have their Materials Distribution (formerly called "Open House") on August 27th from 4:00 - 6:30 pm Students will be asked to report to the back gymnasium door and will be directed in to meet their classroom teacher and pick up materials. Students with last names starting with **A-K can pick up materials from 4:00 - 5:00 pm**. Students with the last names starting with **L-Z can pick up materials from 5:00-6:30 pm**. If you have a family with multiple last names, you can choose the time slot that is best for you to attend together.

Classrooms, as well as the building itself, other than the gym will **not** be open to view for families during either of these events.

- Please wear your mask when picking up materials.
- To keep our attendance low, we ask that only **one adult and the enrolled students attend these events.**
- In order to pick up a Chromebook, we must have a signed Chromebook Acknowledgment form. This can be completed online as part of the student enrollment verification process in Skyward. It can also be printed off the district website or signed when you arrive to pick up your materials. I have attached the link for you here:

http://www.phasd.us/UserFiles/Servers/Server_85944/File/About%20Us/Departments/Enrollment/August%202020/Chromebook%20Consent%20Form%20updated%2008.13.20.pdf

Students enrolled in the virtual program will pick up their materials from the McKinley Building the week of August 24th. Information will be sent to families enrolled in the virtual program directly from the administration building.

I know you are very excited to learn who your child's classroom teacher will be for the 2020/21 school year. At this time, I am still trying to balance class lists with our hybrid model, keeping in mind that we have several families that have chosen the virtual program for their child(ren).

As always, we appreciate your support, working together to ensure all our Scouts are academically, emotionally, and behaviorally successful during the school year ahead.

Yours in Education,

Kathy Kish

Kathy Kish, Principal
Indian Woods Elementary

Port Huron Schools
Elementary “Suggested” Supply List

It is suggested that you have a set of materials for your student to use at school, and a second set of materials for your student to use at home.

Instructional Supply	K-1st	2nd	3rd	4th	5th
pencils	x	x	x	x	x
